

Welcome to Compassionate Care

Thank you for trusting us with your healthcare needs. We are committed to providing you with the best care possible. Compassionate Care follows a team-based approach with a fantastic care team that is committed to keeping you healthy, with you being the center of the team. Dr. Linda Young DNP will share her medical expertise with you, and hope you'll take responsibility for working toward the healthy lifestyle that is so important to your well-being.

As a new patient we ask that you have copies of your medical records from any other health care providers sent to us. A medical record release form is included in this packet. If you need help, please speak to our staff. If you have any appointments in the future with other providers, please ask that they share information about your visit with us too.

To schedule appointments with Compassionate Care please call (401)767-8766.

Our office hours are:

Mon, Tues & Thurs 8am - 4pm
Wednesday 8am – 5:30PMpm
Friday 8am - 4pm
First Saturday of every month 8am-12pm

We aim to meet your needs in a timely fashion, including offering same day appointments if you are sick today. We encourage you to call as early as possible to book these appointments.

If you are unable to keep an appointment, please call 24 hours ahead of time so we may give that appointment time to another patient needing it.

If you have a medical emergency, call 911 or proceed directly to the emergency room. For any other medical needs, call us first.

If you have a medical issue after regular office hours that cannot wait until the next business day, you can call us to speak with a medical provider.

Please bring your insurance card, picture ID and payment with you to each appointment. If you do not have health insurance, we encourage you to visit www.healthsourceri.org for information about obtaining affordable coverage.
